

## TOPICS WE COVER

AVI TENENBAUM PFA tailors each course or presentation to the unique needs of the participants and community.

During times of tragedy & war we provide intervention for acute trauma & grief, both online and at the scene of disaster itself.

During times of calm we regularly teach on the following topics -

- Psychological First Aid for Acute Trauma & Disaster
- Mental Health Early Intervention (for common MH challenges)
- Suicide Prevention
- Grief Leadership for communities & organizations after loss
- Leadership Development
- The Congruence of Jewish Ethics, Theology, and Mental Health

- Educators, Organizations, Community Leadership
- Law Enforcement, EMS, Fire, Military, and Search & Rescue.

### What formats do we teach in?

Contact us to inquire about these or other services:

- Crisis Intervention when tragedy strikes, online or on-site of a disaster
- Day Workshops
- 14 Hour Intensive Courses
- 1.5 Hour talks
- International Missions to disaster zones
- Conference Presentations
- Online Events

## A LITTLE ABOUT US

Avi Tenenbaum MA CASAP is an expert in Disaster Behavioral Health and Psychological First Aid.

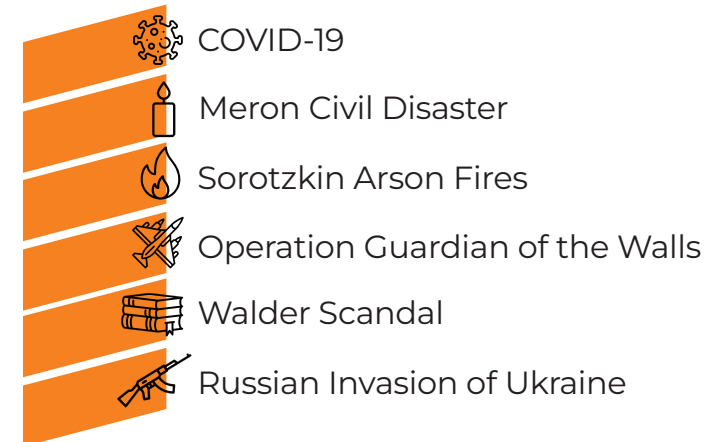

His experience includes providing aid for people coping in the wake of numerous large-scale disasters and wars including the **Second Lebanon War, Hurricane Harvey, Pittsburg Tree-of-Life Massacre, Haifa 2016 Fires, Covid-19, Operation Cast-Lead, Meron Civil Disaster, Karlin Bleacher Collapse, Sorotzkin Arson Fires, Operation Guardian of the Walls, and the Russian Invasion of Ukraine,** as well as an estimated 2000 small-scale tragedies, as a psychological first aid provider, trainer, & supervisor.

Avi is a sought-after speaker, trainer, & panel member on the topics of acute trauma & grief, resiliency, addiction, mental health wellbeing, leadership, and the congruence of classic Jewish theology & ethics with mental health.

Aside from an academic background, Avi has the rank of sergeant as a volunteer law enforcement officer in Israel Police's operational units as well as being a trained Emergency Medical Technician, giving him first-hand exposure to acute trauma from the position of a first responder in both the EMS & Law Enforcement worlds.
